[Copyright, Louis Klopsch, 1899.]

Washington, June 4.—In this discourse Dr. Talmage steers clear of the political entanglements of our time and recommends that which will meet the supervayl of all who hope for the personner of the political entanglements of our time and recommends that which will meet the interconner of the personner of the perso

and immeasurable idea. But when they come to add to the great and immeasurable idea of definiteness we will infinitely augment the work. More for the United States ongle to the United States ongle to great the united and in five polyments of the United States ongle to great the united and definiteness we will infinitely augment the work. More for appropriated \$50,000,000 to give bread and medicine to Claus. Wiy not be read and medicine to Claus. Wiy not the eliging and heaing the minist and souls of those ignorant and besuted archipelages. In the name of God in one of the controversy we can farm out the first manner of the controversy we can farm out the problem of the responsibility of the catacombs, the ruins of her rains of the rains of her rains of her rains of her rains of her rains of the rains of her rains of her rains of her rains of her rains whole subject that keeps our public men agitated, some of them to frothing

them assembling in early aniumn, take perial educational patronage. What is needed is state and national action in this matter of schools.

Work of the Printing Press.

Then let the editorial associations of the United States, as many of such organizations as there are states, resolve at the next convocation to establish in every region of those islands a printing.

The multitudes of the Islands be glad thereof, says the pealmist. "All the pelagoes from satanic domination. Who will enlist united the fact of the Islands be glad thereof, says the pealmist. "All the shall describe the heathen shall worship him." writes Zephaniah "He shall tare his face to the Islands," prophesies Daniel. "The inhabitants of the islands are not to be neglected. Perhaus they are the pealmist to the islands are not to be neglected. Perhaus they are the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of death thereof," says the pealmist. "All the shall derive of the shall worship him." writes Zephaniah "He shall tare his face to the islands of the terrid climes which no travel of the torrid climes which no travel of the torrid climes o at the next convocation to establish in every region of those islands a printing press, to be supported by people of this country until it can become self-supporting. Each of these state editorial associations sending out to those islands all minor differences of at least one editor and two reporters and enough typesetters, down will go the ignorance and superstition of those islands as certainly as the Spanish fleet under Comment and in Jesus Christ, his only begotten and enough typesetters, down will go the ignorance and superstition of those islands as certainly as the Spanish fleet under Cervera sank under the pounding of our American bettleships, and who would untert shonder in the sale to marsial large arbitragence and love of free institutions as certainly as into the herbor of Manilay went Admiral Dewey on that famous night when he was not expected. Hoe printing press! Nothing can stand be fore its bomburdment. Editors of American books! Take the ordination for such a scene on yonder Capitol hill cannet meet the exigence, Epigrams of political platforms or in state legislatures will not have as many publishers of political platforms or in state legislatures will not have a many into the desired consumnation to the stands of the Capitol hill cannet meet the exigence. Epigrams of political platforms or in state legislatures will not have a many publishers of political platforms or in state legislatures will not have a mind the desired consumnation to the stands of the continents themselves are only ment.
